

Together we will make a difference!

September 1, 2021

Dear Friends,

The United Jewish Appeal is reaching out to you to become part of another successful fundraising drive for 2021-2022.

As the unifying force for the Vancouver Island and Gulf Islands Jewish Communities, we are committed to positively impacting the lives of so many people. With your contributions to the annual campaign, the Jewish Federation supports many programs and individuals throughout the year.

- We **need** your participation to continue to make a difference in the lives of those who have fewer advantages than we have.
- We **need** your participation to continue to develop and grow our Jewish communities on Vancouver Island and the Gulf Islands.

We are asking for your help in reaching our campaign goal of \$165,000 – together we can do this!

You will be contacted by one of our dedicated volunteers to request your support.

Please find enclosed a brochure that provides information about our campaign and ways to give. We look forward to your generous support again this year.
