

Building Together for Now and in the Future

The Jewish Federation of Victoria and Vancouver Island (JFVVI) is the umbrella organization of the Jewish Communities of Victoria, Vancouver Island and the Gulf Islands. Since 1987, we have been an integral agency of community development, providing financial assistance to Jewish community groups, families and individuals within our region. The United Jewish Appeal is JFVVI's annual fundraising campaign.

Partner with us in order to:

- ★ Support those among us who are most vulnerable during challenging times
- ★ Enhance our diverse community organizations' efforts to bring Jewish cultural, religious and educational programs to our communities
- ★ Provide grants for children and adults to foster their connections to Judaism, our local communities and Israel.

Help us reach our goal!
